BHANUPRAKASH KURUVA
Full stack Developer

@bhanuprakashkuruva09@gmail.com | linkedin | 7207485739 | portfolio

Summary

Aspiring Full Stack Developer with a strong foundation in algorithms and hands-on experience building scalable web apps using the MERN stack. Passionate about solving real-world problems through technology and contributing to high-impact software teams.

Skills

Technical Skills:
Programming Languages: C, Java, Python
Databases: MySQL, MongoDB, Redis
Web Technologies: HTML, CSS, JavaScript, React.js, Node.js,
  Tailwind CSS, Material-UI, Socket.io, Firebase
App Development: React Native
Design: Figma
Version Control: Git, GitHub

Soft Skills:
• Adaptability
• Time Management
• Teamwork
• Problem Solving

Work Experience

Web Development Intern

PRAGYASHAL – *Remote* | *April 2025 – Present*

Contributed to building and maintaining full-stack applications using the MERN stack and RESTful APIs. Enhanced user interfaces using Tailwind CSS and Material-UI. Participated in code reviews, and assisted in debugging and optimizing front-end and back-end performance.

Projects

IdeaBridge (Collaborative Innovation Platform)   *GitHub*
  • Developed a MERN stack platform for idea and project management with integrated user authentication.
  • Created responsive UI with Material-UI. Enabled real-time progress tracking and team collaboration.
  • Implemented idea submission, nested discussions, and reviews.

Blogify (Blogging Application)   *GitHub*
  • Developed a blogging app using Node.js and MongoDB for a robust backend.
  • Utilized EJS for SEO-friendly, responsive server-side rendering.
  • Implemented full CRUD functionality for dynamic content management.

Table Tales (Restaurant Website)   *GitHub*
  • Created a restaurant app with React.js and Material-UI for a responsive, sleek interface.
  • Powered by a Node.js backend and MongoDB for seamless operations.
  • Features include online ordering, catering bookings, user profile and menu browsing for user convenience.

Foodify – E-commerce Website UI (Figma Prototype)
  • Designed a responsive food delivery website UI in Figma, including pages like Home, About, Services, Menu, Contact Us, Sign In, Sign Up, Profile, and Terms & Conditions.
  • Built interactive user flows and refined layouts based on usability feedback.

Education

Rajiv Gandhi University of Knowledge Technologies, Idupulapaya, Andhra Pradesh
- B.Tech in Computer Science and Engineering | Expected Graduation: April 2026 | CGPA: 9.25
- Pre-University Course | Completed: April 2022 | CGPA: 9.92
AP Model School, Midthur, Andhra Pradesh   10th Grade | Completed: April 2020 | CGPA:10.0

Additional Information

Courses and Certifications :   MongoDB - GeeksForGeeks , Web Development(MERN Stack) - Teachnook
Extracurricular Activities: Active NSS Volunteer in the National Service Scheme.
Languages: Telugu, Hindi, English, Kannada (Conversational)
